Twentieth Annual Golf Tournament

Monta Vista High School has long been recognized as one of the premier academic schools in the entire country, but it also excels in athletics! In recent years, MVHS teams have qualified for CCS playoffs in water polo, football, tennis, soccer, softball, volleyball, cross country, swimming, AND basketball!

Monta Vista Athletic Boosters (MVAB) is dedicated to the improvement of ALL athletic programs that help students broaden their experiences that have been helping them grow & even attain college educations because of sports. MVAB distributes support funds to each of our teams raised through memberships contributed by parents of MV athletes. 100% of all funds collected by MVAB go back into Monta Vista Athletics including a small portion which are used annually for student college scholarships. In the past, the Tournament of the Bulls has raised funds for:

The Ron Freeman Foundation
Continuation of Sports Programs
Support for Coaches with new equipment
Purchase new infrastructure for school sport arenas
