

Monta Vista Athletic Boosters - Membership Fact Sheet for Coaches

- MV Athletic Boosters (MVAB) purpose is to raise funds to support athletics at MVHS.
- We take the burden of fundraising for all MVHS sports; we ask families to donate \$65.00 to MVAB per student-athlete for each sport in which they participate each season
 - \$40 out of the \$65 is directly returned to your team's ASB Account
 - \$25 goes towards the MVAB general fund and is used for various projects or purchases, per YOUR requests (see below)
 - MVAB will also manage sport-specific fund collection. Families indicate a sport-specific donation in addition to their \$65 membership donation. 100% of these funds are distributed to the sport's ASB account
- Please strongly encourage online registration to your student-athletes. ONLINE REGISTRATION IS NOW OPEN at www.mvab.org. If you choose to collect checks, each check must be submitted with a completed registration form (also available on the MVAB website).

Fund Requests from Sports:

- Coaches or the AD may request funds at any time from the MVAB general fund to support durable equipment purchases
- The MVAB general funds are available NOW to support your requests. We request teams to fund some of the purchase price to compliment the funds MVAB provides
- Approach the AD first with your request for funds, then work with your sport's liaison to prepare your request and present to the MVAB Board at an upcoming Board of Directors' Meeting. MVAB Board meetings are usually the third Monday of most months throughout the school year
- Over the past four years, MVAB has contributed over \$130,000 to teams for equipment purchases and Trainer expenses. Below are some example of the larger contributions we've made:
